Old Business

Auditors report – Pat read the auditor's report and there were no issues or discrepancies with our books. She did the audit free of charge as a donation. Thank you to DD Associates.

Trail Report

Jim Wesner volunteered to mark the spur trail to Ripon Family Restaurant. Thank you Jim!

Thank you to Evan Conlon, his friend Ryan McWayne and Kyle for marking the trail to Boarders!

Trail Status Update - Berlin, Green Lake and Markesan opened their trails for a day or two. We could not open our trails due to Alliant Energy brushing on the railgrade. We also have some spots that still have standing water.

Grooming Report – Kyle went out and there is a lot of water on the trails. He has been panning and it looks pretty good. Even if we get warm weather it may hold up with a nice base. Steve was thinking that maybe we can do some re-routing to get around the area that has water. There is also an area by Eldorado that has some issues.

Remember to document **EVERYTHING** related to trails so that it can be entered in SNARS!

New Business

February Meeting – We are going to wait and see if we are going to have a meeting. Hopefully we will have snow and if we do, the Club is planning a trip up to Lakewood at the Waubee Lodge which is where we went last year and had such a good time. Contact Pat if you would like to come or to get some information. The dates we are going are February 8,9,10th.

Thank you to Plaza Bowl for hosting the January meeting!
