Trail Report

Great job and thank you to everyone involved in trail marking maintenance this season!

Please remove your signs as soon as conditions allow.

We need volunteers for Denny's trail to check for tipped over signs.

Be sure all of your hours get entered in SNARS by April 1st.

Grooming Committee Report

Thank you to all the groomer operators and everyone that helped with groomer maintenance this season. We had very few issues this season and our machine worked well.

The drag by Denny needs work, we will talk about this more at our next meeting or next fall.

Kyle will store the groomer if someone can haul it.

New Business

April 2nd meeting will be at CJ's at 7 p.m. There is a buffet there if you would like to come early to eat.
