### **Trail Report**

Please remove signs as conditions allow. Some signs have already been removed. Please make sure if you remove your signs that you enter your time into SNARS.

All info needs to be into SNARS by April 15<sup>th</sup>. There is still a lot of brushing and marking that has not been entered. This needs to get entered ASAP! Please update SNARS or contact Randy and he can help you.

New trail funding paperwork was submitted March 12<sup>th</sup> for 6.1 miles. We will find out in June or July if we got it.

### **Groomer Committee**

The tucker will need some maintenance before it goes into storage. There seems to be a leak that will need to be looked at and it will also need to get greased. If you would like to help with the maintenance, please contact Pat or Kyle.

We will contact Tami to see if she will store it again this year.

We will need to have some discussions this fall about what we want to do for the groomer. Do we buy a new tucker, a new tractor, or lease? We need to do something.

### **New Business**

Hielke groomer lease payment: A motion was made to pay Denny for his groomer hours and fuel. Denny had 5 hours at \$50 per hour and 25 gallons of fuel used for a total of \$350. Nicole will write him a check. Tami/Dave

Map Holders: if you dropped map holders off at any locations, please make sure to get them picked up so that we can get any money to the bank.

Landowner gift certificates: We have certificates out there at some establishments that Pat would like picked up now. The certificates expire in September, but if we can get volunteers to take care of picking some up now that would be great. Nicole and Dave will pick up at Vines &

Rushes and Tigers. Tami will pick up at Jaspers and the Log Cabin. Dex will pick up at Walkers and John will pick up at Generations. Please pay with cash or check and give the receipts to Pat or Nicole and you will get reimbursed.
