FUNDS RAISED FOR TRAIL IMPROVEMENTS

February Newsletter

What has KAOS been up to?

This past weekend (February 8-10th) KAOS had our 10th annual winter ride in Lakewood, WI. There was a total of 16 youth in attendance, including many of our new members. The trails were in great condition for both our ride on Friday night and Saturday. Each youth member was also responsible for preparing to present in front of the group. We had two guest speakers from the AWSC Executive Board, Lori Heideman and Sam Landes, speak about the AWSC and what goes on behind the scenes to allow us access to the trails every year. KAOS also voted for board positions. The new board members are Lynsey Burzinski as President, Rachyl Burzinski as Vice President, AJ Kreager as Secretary, and Makayla Gambsky as Treasurer. These individuals will be given specific roles that they are expected to fulfill within the KAOS organization. Our Facebook page has pictures of our fun filled weekend and be sure to take a look at months KAOS article about the ride in the WSN Magazine. Thank you to Langlade County, Oconto County, Pam Butter, Sam and Lori for their support for the KAOS group and all they did for us throughout the weekend.

Upcoming Events

AWSC Spring Convention (March 22-24)

- KAOS will be having our annual silent auction at the AWSC Spring Convention in March. We appreciate your donations and encourage everyone to please bring items to help make the silent auction a success.

Announcements

KAOS is always looking for new members to join our program. There are many counties within the state that do not currently have a KAOS youth representative, If you know a young snowmobile enthusiast between ages 14-18, please encourage them to contact us!
