## Facts About Snowmobiling-2018

**Haslett, MI, September 18, 2018:** As we begin the 2018-19 snowmobiling season, we thought you may be interested in the following facts while you are preparing to go ride this season:

1. Snowmobilers come in all ages. The average snowmobiler however, is 45 years old.
2. The average snowmobile snowmobiler last season rode 1,250 miles / 2,012 kilometers. The number of miles ridden, on average, is dependent on snow cover, so we will see if Mother Nature brings us more days of snow for riding this season.
3. 60% of snowmobilers belong to a club and participate in many of their club's events. If you do not belong to a snowmobile club, I recommend you consider joining! Clubs hold great riding events, great parties, and are made up of wonderful people that become great friends. Join a club and have a great time!!!
4. About 49% of the people that snowmobile, trailer their snowmobile to their riding area. The other 51% ride from their home or cabin.
5. Snowmobiling is a family friendly activity. Most of all those responding to surveys report that they snowmobile with family and with friends and with club members.
6. Snowmobilers are outdoor recreationists all year around. Following is a list of recreational activities that snowmobilers participate in when they aren't out riding:

59% go ATV Riding  
56% go Camping

Yes, we are a year around active group!

7. Approximately 82% of the snowmobilers are male.
8. Snowmobilers are a big part of the winter economic engine by spending an average of \$2000 each year going snowmobiling, traveling to their snowmobiling spot, and food, gas, and lodging. In many places of North America, snowmobilers pay the bills for many people involved in the Winter Tourism Industries and related businesses.
9. To help snowmobilers promote their sport, the snowmobile manufacturers have created a number of supporting communication tools.
  - a. We have created a Dropbox where interested individuals can access the most current family friendly snowmobile photos. (Just click on this link: <https://www.dropbox.com/sh/kjcb8kcpv6vlaos/AADSnxl8H8V-ZhV1KO51dGINa?dl=0> ) We encourage people to use these photos in the development of trail maps, advertising pieces, or just flyers supporting a snowmobiling activity. The photos are free and can be used in promoting recreation family snowmobiling.
